

Dear Friends who pray and support our ministry,

Col. 4:3 says, "Withal praying also for us, that God would open unto us a door of utterance, to speak the mystery of Christ....". How we seek prayers to our God in these Covid-19 days which so affects our scheduled meetings. We have had more cancellations this year than ANY other in our 27 years as an evangelist. Yet, the Lord has allowed us other preaching opportunities to fill the spaces of our schedule.

PAST

All meetings were canceled from late March until early September. We filled the pulpit for three different churches without pastors during those months. We really enjoyed the "rest" (preaching just Sundays and Wednesdays). It was nice to "settle down" in one place for a while. Last week we preached our first revival meeting in over six months! Thank you for your prayers and financial help through this time.

PRESENT

We just finished a few weeks filling the pulpit of Northfield Baptist Church in Northfield, MA. We have ministered here a total of nine weeks in 2020. They were always ready to use us in between other meetings to fill in our schedule. Preaching four services every week was a blessed challenge. We do love those New Englanders!

FUTURE

This Saturday, September 26, we leave MA and drive to New York State for a Sunday in one church (Essex) and a Revival meeting in another (Watertown). We then proceed to MN, MD, SC and AL for meetings. The first full week of December (6-11) will find us preaching a full Revival meeting in our newest supporting church, Amazing Grace Baptist in Oriskany Falls, NY. That meeting wraps up a very strange 2020. We have a full schedule for 2021 and we pray for God's grace and will that we can fulfill it.

A special family note: Our son, Jonathan, finishes his last semester at

Maranatha Baptist University in WI this December 18. He will not only graduate but will also be commissioned as a 2nd Lieutenant in the US Army. His four years of ROTC will come to fruition. We are very pleased with his academic and military achievements (He was also in the Army Reserve for all his college years). Pray for Jonathan to be a great leader of soldiers as well as a great missionary to the military.

God bless each of you as you are such an important part of our lives and ministry,

Evangelist Randy Chovan and Grace
