

Dear Faithful Supporters and Prayer Partners,

We trust that each of you are enjoying a lovely fall season in your area!

As we enter the Thanksgiving holiday season, may we all remember God's words:

(1 Thes. 5:18) "In everything give thanks for this is the will of God...."

We have many friends in Christ who are battling cancer, have wayward children, or a host of distressing trials. Does God really expect you to be thankful for these, and other distressing scenarios? By the indwelling Spirit, we can "Endure hardness as a good soldier of Jesus Christ". May each of you know the great grace of God in these days.

We enjoyed nice drives through the States, which displayed the colors of God's paintbrush on the leaves of trees. We also enjoyed great churches and pastors in our fall campaigns in SC, MN, SD, ID, OR, AL, OH, NJ and now NY.

I had the joy of baptizing my 10 year old grand niece, Maggie Chovan, after preaching at Ambassador Baptist Church in Wadsworth, OH.

Keep growing, Maggie! 🙏

Last week we conducted a Revival meeting in a church where we had not been before; Madison Avenue Baptist Church in Paterson, NJ. The pastor is Eric Pardine, who I previously worked with when he was a missionary in Peru. He was, and still is, a great translator. The church has a large Hispanic membership from all over the Spanish speaking world. We were blessed to see God's saving grace dispensed to a 17 year old young man and a 35 year old man (Juan). May our Lord help these to grow in Christ.

We are presently preaching at Bible Baptist Community Church in Port Leyden, NY. The Lord Jesus is planting a church here through Pastor Matt Weber. The church started three years ago, and it now runs 60 consistently. Praise to you, dear "Head of the Church." Our next meeting is in Oriskany Falls, NY. All of the churches where we have ministered this Autumn season we have been in many times before, except Madison Avenue. We loved being with all of them!

We will return to Northfield Baptist Church in Northfield, MA, for the entire month of December. This church has been without a pastor for over three years. They have a faithful remnant that God is using to keep this church open until He sends them a new pastor. We will preach four times a week, and seek to Shepherd this small assembly for the duration of the month. PLEASE pray that God will raise up a pastor for these dear Saints.

We trust that each of you will enjoy a great Thanksgiving and a blessed "Incarnation Celebration." (Christmas) We will write again in the winter of a new year!

God bless you all,

Evangelist Randy Chovan and Grace
