

Dearest Supporters,

Never in my 64 years have I ever seen such a turbulent year! The Covid 19 Virus has shut down churches, thus, shutting down our Revival-Evangelism conferences. We rejoice that most churches are reassembling. In these days of Covid, riots and political upheaval, we cry out for help and the wisdom of God. We need 1 Chron. 12:32:

“And the children of Issachar, which were men that had understanding of the times to know what Israel ought to do”

OUR PRESENT

Many are asking, “What are you doing these days”? All of our April and May meetings, foreign and domestic were canceled. During these two months we preached some online (“virtual”) messages from God’s Word. We preached to churches in England, Canada, Australia and the United States. Our home church, Calvary Baptist of Alachua, Florida, is currently without a pastor. So we have been reciting and preaching to our own church through Zoom and, recently, in our sanctuary (we began meeting publicly again on Mother’s Day, May 10). We have NEVER had this amount of time with our home church. It has been a mutual blessing. Our “sabbatical” of two months without the rigors of traveling has been medicinal; physically, emotionally and spiritually.

We did enjoy one road trip last month. Our eldest grandson, Philip Leavell (son of our Rebekah), graduated from high school and from a community college (AA degree) simultaneously on May 21. We drove the 2,000 miles to Queen Creek, Arizona, to participate in this celebration. Philip was salutatorian with a 4.0 GPA, and, thus, gave a wonderful speech. The ceremony was held outside at a drive-in theatre. We were so blessed with the week we were able to spend with Rebekah, Joe and four grandchildren!

OUR FUTURE

We were scheduled to fly out today (June 1) for a month of ministry in London, England. It was decided by our English brethren that it was best to cancel. We were scheduled to minister the two months of July-August in

Peru, South America. Again, the missionaries we were to be working with thought it best to cancel. We have rescheduled both these countries for 2022. We will continue to preach for our home church through the month of June. We are checking with other churches where we have ministered who are without a pastor at this time to offer pulpit supply in July and August. We have already scheduled August in Northfield, MA. We plan to pick up our itinerate schedule again the first week of September.

Thank you for your continued prayer and support for these spring and summer months. You literally sustained us. We pray that all of us can return to our church ministries with even more determination and Spirit controlled power! May we all see souls saved and disciplined in these "reopening" days! We love you; we pray for you and ask our Father to bless you,

Evangelist Randy Chovan and Grace
