

Greetings Dear Supporters,

Grace and I read through the Scriptures and pray together each day. We just read the epistle of III John, which reminded us of each of you and your support of our international ministry: (VS. 5-8) "Beloved, thou doest faithfully whatsoever thou doest...Which (we) have borne witness of thy charity...whom if thou bring forward on their journey after a godly sort, thou shalt do well...that we (you) might be fellow helpers to the truth".

## THE PAST

Our fall schedule began with a two week (3 Sundays) ministry in the São Paulo area of Brazil. We headquartered with the Terry and Wendy Broyles family (BMM). They are 30 plus years veteran missionaries in Brazil. We have worked with these friends and other churches there several times in our ministry over the years. We preached several services in four different churches. We enjoyed preaching God's Word and fellowshiping again with these dear brethren. Time and eternity will reveal the actual fruitfulness of this ministry. We are scheduled again for 2024.

Our continued Fall schedule was an amazing array of States, churches and gorgeous fall colors! We preached meetings in SC, NY, CT, MA, AL and presently, NV. We saw the power of God displayed in the saving of souls and the moving of God in REVIVAL!

## THE PRESENT

We are now involved in a two week revival; two churches back to back, both supporting each other in attendance. We highlight them because it is refreshingly rare. Both churches, Lone Mountain Baptist Church in Las Vegas and Wagon Wheel Baptist Church in Henderson, (30 miles south)scheduled us together, strategically committing to support each other's meeting in two consecutive Sunday through Friday weeks! What unusual commitment in these days! We love it! We are halfway through the first week and, so far, it is working-both churches attending! We are seeing several responding publicly. Please pray for this endeavor!

## THE FUTURE

Following these Nevada meetings, we plan to spend Thanksgiving week with our eldest daughter's family(Rebekah and Joe Leavell) in Queen Creek, AZ (greater Phoenix). We will bask in the food and fellowship, with the special delight of spending time with four of our grandchildren!

On December 2, we will fly out to the Island kingdom of Great Britain. We will preach for four weeks (five Sundays) at West Basingstoke Baptist Church in the west London area. Pastor David Ellsmore and wife, Devene, will enjoy a month's sabbatical in the USA and Canada, visiting family. He is British but married an American. They will enjoy a

Christmas with her family which they have not been able to do for a long time because of church responsibilities. We will fill the pulpit for all scheduled services. We will live in the Ellsmore's house and use their car (pray as I drive on the other side of the road!). We are praying for some British souls to be saved and revived. We return to the USA on January 2. The faithfulness of our supporters, humanly speaking, gives us the freedom to take this time to help a small church pastor and wife. We are praying about being able to do more of this type of ministry as we recognize that we are not as young as we used to be!

Thank you for reading and praying over the contents of this letter. We love you and appreciate your prayer and provision for these ministries. We are honored to be your representatives for our Lord Jesus Christ. God bless each church and individual.

Your Missionary Evangelist,

Randy and Grace Chovan
