

Dear Faithful Supporters and Praying Friends,

Did you know that our God has deemed you as “Fellow helpers to the truth” (3 John 8)?

What a whirlwind 2024 was and here we are already in January 2025! Our Father has been faithful to bring us in health and strength to another year. This past year has taken us to many countries and states preaching the One who is TRUTH, our Lord Jesus Christ (John 14:6). We saw several saved, many of God’s wayward restored and trust much revival and strengthening to those who continue on faithfully in the churches. THANK YOU for your financial support and constant prayers for us.

We have just returned from a wonderful reunion with our three grown children, their spouses and all 10 of our grandchildren. Our son, Jonathan and his wife, Megan, hosted the event at Fort Campbell, KY, where Jonathan is stationed in the US Army. We all were able to attend and participate in the promotion ceremony as Jonathan received his Captain bars (replacing his 1st LT. rank). As a Captain, he is now at command level and must attend a six month course (“Captains School”) at Fort Leonard Wood, MO. Upon completion, he will receive his next assignment; (Perhaps overseas?) We were also blessed to see and hold our newest grandson, Titus Daniel. Our God is so good and gracious to us!

We are leaving our Florida house tomorrow morning

(Friday, January 17) to begin our three month Pacific Island preaching tour. We begin with four weeks of evangelistic/revival meetings in Hawaii, then a week on Guam, then four weeks in the Philippines, then a week in Cambodia and wrapping up with a week in Pohnpei, Micronesia. Please pray for traveling mercy, airline on time departures, sound mechanical aircraft, competent pilots, prepared pastors/churches, prepared hearts of unbelievers who attend, revival among the churches/brethren, and, yes, SOULS Saved! Lord willing, we will return April 4, and give you a full report of the blessings of our God on this ministry.

Until we write again, May our Father bless and lead each one of you into the center of His will,

Evangelist Randall Chovan and Grace
