

Dear Supporters and Friends,

(1 Cor. 1:4)...." I thank my God always on your behalf, for the grace of God which is given you by Jesus Christ."

Tudubang? (Portugese for "Are you well"? and "How's everything"?)

We sent an early summer report containing the blessings of God on our four month Pacific Island tour but there is so much to share with you concerning the months of June through early August.

JUNE 17-JULY 6 TRINIDAD, WEST INDIES

This was our "umpteenth" time to preach on this beautiful Caribbean Island. I was accompanied by my dear travel partner, Grace. Her sacred recitations are always a challenging delight to the hearers. We preached the Word of God in six different churches, three of which were protracted meetings. We have ministered in all these churches many times over the years and we were blessed to spend time with these seasoned friends.

We saw several revival decisions among the believers but only one conversion to Christ...but it was very Special. The 50 year old man, Roger, an ambulance driver, attended several nights of our week long Crusade at Calvary Baptist Church in Point Fortin. His wife has been a believer for many years and was praying for 23 years fir her husband to be saved. On our final night, Roger came forward to receive our Christ as his personal Saviour and Lord! What rejoicing was in that place as his wife and the church rallied to welcome him to the family of God! We have learned that both Roger and his wife were baptized together! She had been saved but never followed in baptism! Praise God for both of them being obedient to this commanded ordinance.

We are scheduled to return to Trinidad in August 2019

JULY 9-16 TENT MEETING, AMAZING GRACE BAPTIST, ORISKANY FALLS, NY

Our God truly did amazing things at this meeting in north central New York

state. Pastor Clarence Hafelin is truly an amazing man. I do not know any one as "on fire" to reach the lost of his community as this faithful pastor. The tent meeting is an annual event. I preached it two years ago and several were saved then. What a joy to see these, now two year old believers again.

The church visited and handed out hundreds of invitations before we arrived and many more during our Sunday through Sunday campaign. The tent was FULL every night and MANY lost souls attended. God blessed His preached Word with 19 souls walking the "old sawdust trail" to the front of the tent to receive Christ. Amen and glory to God! We are rescheduled for next year's tent meeting in August 2018.

JULY 21- AUGUST 10- GREATER SAO PAULO AREA OF BRAZIL

This was my third time to preach in the churches of Brazil. Grace stayed home to rest and spend time with Jonathan. I was invited again by veteran missionary, Terry Broyles and family. (Wife, Wendy, was the teen age daughter of the assistant pastor at the church where I was saved on Okinawa, Japan, back in 1976). I preached in four churches in four different cities. We had wonderful meetings and good stirring by the Spirit of God. We saw the Lord bless His Word with three conversions to Christ.

The last two were saved on my final night in Brazil. What a blessed way to finish! Samuel and Rose are a young married couple who live near the church in the city of Porto Feliz. They attended my four night prophecy conference every night. On the last night, they responded to the invitation for salvation. After an hour of counseling with Pastor Broyles and myself, it was obvious they were not grasping the truth of abandoning our own self righteousness to receive the imputed righteousness of Christ. So we made an appointment to meet again on the Wednesday night before my departure on Thursday. When we met, it was a two and a half hour long witness. After thorough explaining of the gospel and verses such as Rom. 10:1-4, Eph. 2:8-10, and Gal. 2:21....the "lightbulbs" came on....what spiritual enlightenment from the Holy Spirit! They became SO excited and, thus, gladly received our Lord Jesus Christ! They will now enter an intense discipleship program.

We are scheduled for Brazil again in June-July of 2019.

Thank you for rejoicing with us and thank you for the important part you have in our ministry. The prayers and financial support are so appreciated! (Phil. 4:15-19).

God bless and use you,

Evangelist Randy Chovan and Grace
