

Evangelist Randy Chovan Spring 2026 Prayer Letter

Dear Faithful Prayer and Financial
Supporters,

Thank you for “receiving us” and being
“fellow-helpers to the truth” (3 John 8)

Our domestic and foreign ministries this
spring were indeed, blessed of God! We
can report professions of faith in Christ and
amazing movements of God among
believers!

We highlight our May 7-June 11 ministry in
Eastern Europe. Our God opened the door
for us to preach the saving gospel of Jesus
Christ for three weeks in Hungary (all in the
Budapest area); one week in Novi Sad,
Serbia; and one week in Timisoara,
Romania. We so appreciated the pastors

and workers who took care of our lodging, meals and transportation. Each week and every church was a blessing. This was our fifth time in Hungary, second time in Romania but our first time in Serbia.

We also had the special blessing of traveling to the country of Slovakia (of the former Czechoslovakia) where my grandfather Chovan was born. Andrew Chovan, Sr., traveled with his parents (John Chovan) to Ellis Island immigration center in New York, USA in 1906, when my grandfather was three years old. They settled in the Hurly, Wisconsin, area. He never did lose his Slovak accent all of his 74 years. I do not know the exact city or location of his birth but it was a blessing, at my own age of 70, to finally visit his birth nation.

We return to the USA on June 11. Then, on

July 2, I will fly to the Philippines for three weeks of ministry. Grace will stay home for a much needed rest. That will be a highlight of our summer, 2026, prayer letter!

God bless each of you with peace in the midst of world unrest and political turmoil.

We love and appreciate each of you and be assured our our prayers to the Throne of Grace for you,

Evangelist Randy Chovan and Grace
