

Greetings Dear Friends, Brethren, and Supporters,

Here is a seasonal verse: (John 10:22)
“And it was at Jerusalem the feast of dedication, and it was winter”. Although not one of the seven feasts described in Lev. 23, the Lord sanctioned by His presence, the winter feast of Hanukkah, the “Festival of Lights”. This was a feast commemorating the rededication of the Temple after its defilement by Antiochus Epiphenes. The dedication including the lighting of the 8 day miraculous oil took place in 164 BC.

So we greet you in these winter months (except for our one supporting church in Australia; they are in the southern hemisphere where it is now summer!) We trust that each of you enjoyed a wonderful Christmas and New Year celebration. Many of you in the north have endured a

brutal season of severe winter weather (especially our supporting friends in Duluth, MN! 🥶).

Our most recent winter meetings were in British Columbia, Canada. The believers are amazingly warm and friendly people. The unsaved Canadians are very liberal left and mostly unfriendly to the Bible or spiritual truth. We did have lost people attend our meetings, but no move to receive the gospel of Christ that we know about.

We are now at our first child's (Rebekah) home in the Phoenix, AZ, area, enjoying the grandchildren here. Our second daughter, Deborah, is expecting their fourth child in July. That is grandchild # 11 for us! Yay! Our next stop is time with our son, Jonathan, and his wife and three boys in Leavenworth, KS. He is an Army Captain

and a Company Commander at Fort Leavenworth.

The remainder of the winter and the coming spring will find us in revival meetings in Kansas, Minnesota, and Florida. The month of May will be our fourth time to minister in Hungary and Romania. We will give reports of these ministries in later letters but please do pray for them. 🙏

God bless each of you in these coming months(some are just starting to thaw out).

We love and appreciate all of you,

Evangelist Randy Chovan
